Dictionary of Banking Terms

>MirrorImage **state·ment**< eliminates the need to send back paper items with customer statements.

This has several advantages:

- statements can be printed on demand
- e-statement delivery
- statements can be customized (# items, print order, etc.).
- statements can be distributed on media to allow customers their private research capabilities.

Image **state·ment** allows you to fully take advantage of the provisions of Check21.

Image **state·ment** gives your customers a better way to receive and organize their statements.

Image **state·ment** enables you to cut down dramatically on statement preparation and postage expenses.
